TECH CENTER 1600/2900

SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Applicants direct the attention of the Office to the documents listed on the attached Form PTO-1449 substitute, which may be relevant to the examination of this application.

Also included is an International Search Report (ISR) for a PCT application corresponding to this application. The documents listed on the Form PTO-1449 are in order (within category) of those cited in the ISR, followed by non-ISR references.

The Examiner will note that the ISR refers to PCT International Publication No. WO 98/24646 (Ref. No. 4 in this IDS), of which the applicant is said to be the University of Hertfordshire. A copy of WO 98/24646 is enclosed for completeness, but it may be seen to be unrelated to the subject matter of this invention and have a different applicant from that indicated in the ISR. Applicants believe that the document

intended to be cited was WO 98/34646 (Ref. No. 6 in this IDS), of which the applicant is the University of Hertfordshire.

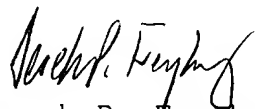

No translation of WO 98/09653 (Ref. No. 5 in this IDS) is known to applicants, but US Patent No. 6,297,281 (Ref. No. 2 in this IDS) is listed in the ISR as being equivalent.

No representation is made by this Information Disclosure Statement that a search has been made; or that the information disclosed is, or is considered to be, material to patentability under 37 CFR 1.56(b).

This Information Disclosure Statement is being submitted based on a ISR from a counterpart foreign application not more than three months prior to the filing of this Information Disclosure Statement. Therefore, no fee is believed due.

The Commissioner is authorized to charge any fees and to credit any overpayment which may be required in connection with this paper under 37 CFR \$1.16 and \$1.17, to Deposit Account No. 08-1641, referencing Docket No. 25835-0014A.

Respectfully submitted,

Derek P. Freyberg
